Call to Action to End Veteran Homelessness

With These Hands is a photo and video campaign, inspired by the final verse of Bruce Springsteen's song, "My City of Ruins." It is designed to engage US all to be part of the solution to veteran homelessness: homeless and housed people alike..... Join the campaign that already includes musicians such as Jon Bon Jovi, Mario Frangoulis, and Steve Earle. Lend your hands to this campaign today!

Voices for Veterans kicks off this Fall in St. Louis! It is a national initiative using the power of music to permanently house homeless veterans by engaging celebrity musicians to raise awareness, raise money for target programs, and spearhead a call-to-action.

49,933 veterans are homeless on any given night
